Your previous balance will always be shown here.

Any amount(s) that you've paid since your last statement will be indicated.

Every statement will show any NEW charges posted to your account since your last statement.

This is a late fee that has been assessed on a past due amount.

Service Labor/Service Parts - This is the fee for a service call. The cost is broken down into labor cost for the technician and the cost of parts needed.

This is the co-pay fee for a service call in accordance with your extended repair agreement.

Payment is due to Guardian Protection upon receipt of your statement.

This is the billing cycle for which you are being billed.

If your municipality requires alarm verification prior to dispatching, this is the fee collected and paid to your Guard Service for being dispatched to verify your alarm signal.

This is a credit that Guardian has applied to your account.

This line will always show the amount you should pay (including any applicable taxes).

Simply detach the bottom portion and return it with your check in the enclosed, self-addressed envelope.
